Elective 1                                      Elective 2

Elective 3                                      Elective 4

### **ELECTIVE 5**

<sup>1</sup> Students who matriculated prior to Fall 2006 may fulfill *either* the old *or* the new major requirements

<sup>2</sup> Strike-through items indicate requirements that have been dropped from the major requirements (e.g. ~~Math 103~~)

<sup>3</sup> Items in small caps are requirements that have been added to the major requirements (e.g. Math 102)

<sup>4</sup> Requires successful completion or demonstrated proficiency. Students may pursue different paths (e.g. Math 25 & 26 = Math 31; Math 31 & 32 = Math 41.)

<sup>5</sup> Math 102 or Math 103 or demonstrated proficiency by placing out of Math 103 or successfully completing a higher-level Math course with Math 103 as a pre-requisite. Because Math placement is not on a student's official academic record, those seeking a demonstrated proficiency waiver should secure Econ DUS approval. Students who matriculated prior to Fall 2006 may waive the Math 102 requirement.
