

Override Pre-requisites Request Form

EcoTeach Center | Department of Economics

Pre-requisites on all economics courses are enforced through ACES. Students seeking entrance to a course without the necessary pre-requisites must secure the approval of the course instructor.

**After obtaining the approval signature of the course instructor,
deliver to Room 138 SocSci for Director of Undergraduate Studies approval.**

**Completed forms may then be walked to the Student Services Center (101 Allen Building) for processing.
THIS FORM IS NON-TRANSFERABLE. Abuse will result in immediate course expulsion.**

N.B.: Students who experience problems in registering for economics core courses (Econ 1D, 51D, 105D, 110D and 139D) do not need instructor approval and should bring the form directly to EcoTeach.
